

**WE ARE SIMPLIFYING TUBE REPLACEMENT**  
with new and improved A3 and M3 roller assemblies

NEW modular roller assemblies are shipping with A3 and M3 pumps!

- No change in ordering!
- No change to flow rates!
- Seamlessly replaces “old” style!

Scan QR Code for more information and video demonstration.

**Benefits include:**

**Lower cost of ownership**

Rollers can be replaced individually, eliminating the need to purchase an entire roller assembly.

**Ease of maintenance**

New roller assembly design allows for safer and easier tube replacement, without the need for a tube installation tool.

**Enhanced flexibility**

Switch to different tube assemblies without the need for changing the roller assembly.
